- Slight Gain
- Moderate Gain
- High Gain

This plot was generated for inclusion in the St. Clair County
MASTER PLAN - For county-wide reference only.
 No site-specific decisions should be inferred from these maps
 without independent verification of the information represented.

Sources:

The shoreline and rivers data were obtained from the Resource Mapping and Aerial Photography Section of the Land and Mineral Services Division of the Michigan Department of Natural Resources. (RMAP)

The 1995 and 2020 Population data were obtained from Southeast Michigan Council of Governments, 1998. These values were then converted into Population Change and divided by the Acreage of Each Traffic Analysis Zone.
