WORKSHOP SESSIONS

BASIC TRAINING FOR PLANNING COMMISSIONERS & ZBA MEMBERS

After a two-year hiatus, we are bringing back the ever-popular Basic Training Program for Planning Commissioners and ZBA members. David Scurto, AICP, Principal with Carlisle/Wortman Associates Inc., will lead this two-hour interactive program designed to give new appointees an overview of their responsibilities and authority (as well as limits on their authority). If you are a new commissioner or just feel you might need a refresher, this is the program for you.

BROWNFIELD REDEVELOPMENT IN ST. CLAIR COUNTY

Does your community have any abandoned, contaminated, or obsolete properties? Jeff Hawkins, President of Envirologic Technologies Inc., will provide details on St. Clair County's \$1 million Brownfield Assessment Grant from the Environmental Protection Agency and inform attendees how local units of government can capitalize on available funds to get brownfield properties back into productive use.

PLANNING WITH THE ROAD COMMISSION

Managing Director Kirk Weston and Engineer Dave Reinke of the St. Clair County Road Commission will provide an overview of planning and funding issues for improving and maintaining the road network in St. Clair County, as well as the role townships play in the planning process.

Please **complete** the attached form and mail or fax at the numbers below.

Copies of the form may be made for extra individuals if necessary.

Any questions regarding registration please call (810) 989-6950.
